1. Confirming the telephone conversation between Mr. R. P. Semler (WORS, 24162) and Mr. J. L. Rohn (AFCIN-4F2c, 54264), it is requested that three helicopter designations including two that had previously been set aside for but never used by the Navy, be allocated as follows:

- a. H-36, for Project "LONG EARS"
- b. H-38, for Project "SHORT TAIL"
- c. H-44, for Project "BIG TOM"

2. It is not desired to reveal any further information on the nature of these projects or the utilization of the numbers. Therefore, this office will arrange an appropriate explanation to be furnished to the office of the Directorate of Procurement and Production, Deputy Chief of Staff for Material, Hq USAF, manned Aircraft Division (AFMPP).

3. Col Jewell C. Wise (DOD 55160, Room 4D266) or Col Edsel L. Lyon (DOD 75012, Room 4D278) will be contacted to assure approval without further explanation.
