AF-WP-O-APR 61 250

INDEX OF SERIAL NUMBERS ASSIGNED TO AIRCRAFT THROUGH FISCAL YEAR 1958

FOREWORD

A. PURPOSE

The purpose of this report is to serve as an index for indicating specific aircraft by serial number and determining its manufacturer, specific type and model, program, funds and contract number.

B. INITIATING ACTIVITY

Reports Section, Programmed Procurement Branch, Procurement Division, MCPPSR, after considerable research, compiled and prepared this report.

C. PUBLICATION AND DISTRIBUTION

This report is published on a one time basis.

Distribution is made by the Reports Section, Programmed Procurement Branch, Procurement Division, MCPPSR, Wright-Patterson Air Force Base, Ohio.

Mo AMC activities and outside installations will requisition the report from MCPPSR and all requests will be directed to the above mentioned Section.

D. DEFINITION

Aircraft covered in this report include airplanes, gliders, missiles, rockets and targets.

E. ARRANGEMENT

Part I, Section I - Pages 1 - 14: Listing by numerical and alphabetical sequence.

Part I, Section II - Pages 15 - 134: Listing by numerical sequence, fiscal years 1922 through 1958

G. NOTE

Breakdown of airplane models into block designations at the factory (number after model, series in block C) are reported only as furnished by project engineer.

Model designations affected by changes after acceptance are not covered in this report.

This report is compiled of material gathered from AMC Manual No. O-70-1, AMC files and AMC records to the best of our ability.

Part II: Listing by model sequence of bombers, fighters, transports, liaison, rotary wing, trainers, missiles, targets, etc, is to follow as soon as available.
